## KEY POINTS FOR MILITARY

### **Stay in Position – No Exposure**

In modern warfare, gathering around a kitchen is a tactical risk. **BIGBAG eliminates this threat** — hot meals are distributed without troops leaving their posts.

### **Mobile & Stealth-Ready**

Just add hot water directly into the 3KG bag. No open fires, no heavy cooking gear, no unnecessary movement.

### **Rapid Deployment – Feeds 30 Soldiers Instantly**

Each 3KG bag = 12KG of ready-to-eat food in 10 minutes. No kitchen. No specialised transport needed.

### **Sustaining Warfighters, Enabling Missions**

Designed for those ensuring security and stability in the toughest conditions. **Energy-dense, no-nonsense nutrition** that keeps troops mission-ready.

## KEY POINTS FOR EMERGENCY USE

### **Food Supply Fails. BigBag Delivers.**

In disaster zones, supply chains collapse. Logistics break down. Kitchens don't exist. BigBag provides immediate, large-scale nutrition—anywhere.

### **Rapid Response – Feeds Hundreds in Minutes**

Just add hot water—600 people fed in under an hour. No heavy equipment, no specialized staff, no waiting.

### **Lightweight, Portable, Easy to Distribute**

Compact 3KG packs expand to 12KG of ready-to-eat food. Civilian vehicles can transport and distribute effortlessly.

### **Designed for Extreme Conditions**

Floods, earthquakes, war zones—wherever survival depends on nutrition. Trusted by emergency responders and humanitarian organisations worldwide.

## KEY POINTS FOR CIVIL SECTOR

### **Emergency-Ready Food Supply**

Hospitals, rescue teams, police services, detention centers, schools, kindergartens — places that cannot afford food shortages. BigBag provides instant large-scale meals when the unexpected happens.

### **8-Year Shelf Life – Always Prepared**

**No refrigeration needed.** No spoilage. *Stock it and forget it — ready when needed.*

### **Zero Dependence on Skilled Kitchen Staff.**

No professional chefs required. No complex logistics. Just add hot water—meals for hundreds within minutes.

### **Crisis-Proof – Handles Supply Chain Disruptions**

When deliveries stop, BigBag keeps operations running. Perfect for staff shortages, infrastructure failures, or unexpected surges in demand.

### **Safe, Nutritious, and Scalable**

100% real food, no artificial junk. Feeds 30 people per bag, scales up instantly.
